Jasmine said that she was learning about God and His promises, and that she now has hope. Read these verses out loud:

“Not that I am speaking of being in need, for I have learned in whatever situation I am to be content. I know how to be brought low, and I know how to abound. In any and every circumstance, I have learned the secret of facing plenty and hunger, abundance and need. I can do all things through him who strengthens me.”

Philippians 4:11-13

This was written by the Apostle Paul while he was imprisoned in Rome, awaiting his death. During this time, he wrote many letters to the citizens and churches which later became books of the Bible. **Not only does he speak of receiving strength from God during this time, but also peace, love, and even JOY in his troubles.**

1. Jasmine said, “Although life is different now, in some ways it is even better.” Based on the words of the Apostle Paul, why do you think Jasmine feels this way?

2. What are some ways you can encourage those who are going through a challenging time in their life?
