Poverty Encounter is an unparalleled experience. Journey into the lives of children living in poverty around the globe in a multi-sensory, interactive environment. Hear their stories, explore their world, and share their dreams. Ignite your heart to make a difference in a broken world. Learn to respond biblically, taking action to offer help and hope to those who are suffering.

- Gain insight into the realities of living in poverty
- Understand a biblical response to suffering
- Take action to help those in need

Poverty Encounter will be most meaningful for adults, youth, and school-age children.
